Renee,

YEAH!!!! I am so happy that all the work we have been doing with the GAP to bring it to compliance and ongoing is finally coming to good terms.

For me, this has been the most difficult project (s) I have had in my career. I wish I could express effectively how important it is to Walker River Tribe.

We are finally on track!

Thank you so much Renee for the listening ear and assistance for all of your office has done for us. Simply saying thank you is not enough..... the experience has been challenging, but if it not for the support of people like Alba Espitia, Veronica Swann and you, I personally wanted to do what others have done...just ignore or leave the work incomplete.

Again, Thank you! Lets forge ahead...
Best Regards,

Cynthia O.
